Clear to Re-take: _____

Corrections Directions: For each question that you lost points on, clearly label the question number, check what you did wrong when solving it the first time, rework the question in the given space, and identify the new answer. Once you complete these corrections, you will be allowed to re-take the test. The corrections do not earn you back any lost points. The test re-take must be completed within 1 week of receiving your test, unless there are special circumstances.
